Dear Club,
I'd been going out with Donna for a couple of weeks. We'd met through mutual friends and I liked her a lot – she's a nurse, and a really sexy one at that: a slim, good-looking brunette, well-dressed, foxy and a lot of fun to be with. The sauciest thing we'd done so far had been to have a drunken snog in a pub one night, but one Friday a few weeks back was set to be a bit different: she was coming over to mine and I was going to cook her a meal.

Now, I'm no Jamie Oliver but I did manage to rustle up a very tasty stew which went down exceedingly well with my guest. Well, don't they say something like the surest way to a woman's fanny is through her stomach? We were also drinking a fair bit of red wine and getting very pleasantly sozzled.

She was looking great that night: she wore a cool dark T-shirt, very tight jeans that showed her slim hips and long legs off and sexy red high heels. Soon after the meal we hit the sofa and started chatting about this and that. It sounds corny but we started talking books so I offered to show her my large book collection, which happens to be upstairs in my bedroom. She said she'd love to see it.

In a short while we were lying on my bed next to the shelves, with her perusing my Bill Brysons and Roald Dahls with seeming enthusiasm. She looked absolutely gorgeous and incredibly cute. We were kind of lying head to toe and I started playing with her little feet, now unadorned by her high heels. Before I even knew what I was doing I had her toes

in my mouth, sucking on them madly. I'd never even given a "toe-job" before but I just couldn't help myself. Luckily I got a good reaction. She put the book she was flicking through aside and put her head on my pillow and closed her eyes, smiling broadly. I kept sucking away for several minutes, surprising myself how much I was enjoying this new vocation. It wasn't long before she wanted something more.

Donna pulled my mouth up to hers and hungrily found my lips like a horny goddess. I gladly swapped oodles of saliva with her while moving my hands down to pull her T-shirt off. A few seconds later her bra was on the floor as well. As I'd suspected, Donna had smallish breasts but her nipples were something else: like many small titted girls they were long and meaty and I straight away started sucking on them like I was in a horny ice lolly competition. They must have been incredibly sensitive because she quickly started gasping and moaning.

In between her cries she managed to whisper; "Please fuck me. Fuck me now." I didn't need to be asked twice. I unbuttoned my jeans to release

"I honestly couldn't wait to sink my aching dick into her waiting pussy."

my engorged prick, and she did the same (She did what?! – Ed.), slipping her slim-fit jeans, along with her panties, down to her ankles. I noticed she had a nice, neatly trimmed bush and full pussy lips. Her hand immediately went for my cock, surely measuring me up for size. I don't think she was disappointed. Then she probed my hanging balls and even slid a finger in my arsehole. A bit kinky for a first session, I thought, but this was clearly a woman who was as horny as fuck, and I honestly couldn't wait to sink my aching dick into her waiting pussy.

My fingers searched out her wet crack, and boy, was it wet. I figured this was the moment we should both get completely naked, so I threw the remainder of my clothes off and

stripped her completely naked. She lay writhing on the bed, her pussy now gaping open, repeatedly asking me to fuck her hard. Not wanting to disappoint, I eased my prick into her red hot fanny. It slid in easily, and although she was very tight I soon had all of my cock inside her, making her shout out even more obscene things than she

“

...I eagerly lapped at her sex juices and sucked on her clit.”

already had been doing!

I ploughed into her in a straight missionary position for a minute or two, my balls slapping against her arse every time I slammed into her, and then suddenly Donna looked me in the eye.

“Fuck me from behind!” she commanded, so I pulled out, she turned over and I guided my dick back into her cunt from a different angle. As I fucked her juicy little mound I gazed down at her perfect hair, her perfect skin, her wonderfully rounded arse, and felt ecstatic at seeing my prick thrusting into her soaking love hole. I knew that it'd only be a matter of minutes before I came, so I soon figured it was time for another change.

I've always had a big thing about oral sex (Join the club, mate! – Ed. again), so to draw things out I suddenly switched my cock for my tongue in her pussy. Flipping her over again, I eagerly lapped at her sex juices and sucked on her clit. Just like her nipples, her clit was prominent and beady, and she was soon writing in ecstasy as I set about teasing and nibbling her prominent bud. She was clearly one of those amazing girls who can come again and again during a sex session, and I was delighted that with every nibble I gave to her clit she almost yelped in excitement. “That... is... so... fucking... good!” she stammered.

After a good five minutes of this, sure in the knowledge that she's already been well satisfied, I was gagging to sink my cock inside her cunt again, and I think that was what she wanted by now, too.

“Come on, big guy,” she uttered, “give me everything you've got.” I climbed back on top of her so we could do missionary, my favourite position, and proceeded to give her the hardest fucking of her life. With a bottle of red wine in our stomachs, we screwed like mad-eyed beasts. I remember thinking that she had not only the wettest cunt I had ever fucked but the tightest one too.

Slamming into her soaking snatch, I looked down and saw her urging me on, nodding and grinning and urging me to really give it to her, and that's what I did for another minute or so before I knew I could hold out no longer.

“I'm going to come!” I yelled as I felt the first twitches in my shaft.

Immediately she gasped back, “Do it on my tits! Do it on my tits!”

I didn't mind the thought of that at all, so I pulled my prick out of her honey pot and with a couple of frantic wanks of my oil-soaked shaft I sprayed thick white come all over her exquisite little tits, the first couple of jets even reaching as far as her chin and neck!

As if she couldn't turn me on any more, she then proceeded to scoop up every last bit of come with her fingers and slide it into her mouth. The look she gave me – the sexiest look you've ever seen – convinced me there and then that this was the girl for me! It also convinced me that we should fuck again very, very soon – which we did about 20 minutes later.

We've now been going out (and staying in!) regularly since then, and the fun hasn't stopped yet – in fact pretty well every time we screw I'm taken aback by just how horny she is! I guess I'm just a very, very lucky guy to have got myself a super horny nurse!

After a hard days work, there's sometimes nothing better than hopping in the shower and rinsing off the toil of the day, as Dovan Kim is keen to remind us here. The Pilipino beauty wastes no time stripping off before unleashing the hose that spritzes her smooth, delicate skin, leaving water droplets

to run down her body and into hidden places... hidden for now that is.

"You should never just wash in showers you know, there excellent places to fuck too and one of my favourites!" Davon offered up out of the blue.

So there you go folks, brave the soap and you might get more than you bargained for.

T  TAL
RECALL

Dear Total Recall,
 I've been a fan of Club for many years now,
 after first stumbling across it back in my uni
 days. So since then, I've had the good fortune
 of gazing at some truly delectable young ladies that have
 graced your pages, but the one that has always stuck in
 my mind is a girl called Teresa, who appeared at some
 point in Vol.31 dressed in a nurse outfit. I think quite a few
 people would agree, that if Teresa worked for the NHS,
 there would be a lot of blokes with raised heart rates
 loitering around.
 I'm sorry I can't remember what issue she's in, but I hope
 you can find out, as I'd love to see those pictures again.
Ross, Braintree.

Misha 
PHOTOS: BB MEDIA

When Misha strolled into our sunlit studio, we couldn't help but hold our breath, as the rock'n'roll princess settled in and started to strut her stuff. With long light brown hair and cool blue eyes Misha is an arresting sight, so we can hardly blame AVN for dishing out three awards to the girl recently, which she seems delighted with. And you never know, Misha might have another to add to her growing collection with the PRP Awards coming up soon...

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

LOO'D BEHAVIOUR

I'm writing to tell you about my first ever experience of anal sex. It all happened a couple of weeks ago at my local, which was packed as usual on a Friday night. I was halfway through a conversation with my best mate about buying an old Triumph he'd seen advertised when this girl walked in. She was a stunner, aged about 25, pretty and blessed with the kind of figure that wouldn't look out of place in the pages of Club. She was dressed in a short denim skirt, which revealed beautifully shapely and smooth legs and a tight pink T-shirt which clung sexily to a generously-sized pair of tits. Her hair was long and brunette and she looked a bit of a raver, way too cool to look in my direction. Or so I thought!

I caught her eye as she ordered her drinks – and she smiled right at me. I was a bit taken aback, but managed a smile and she gave me a naughty wink as she turned to leave the bar. I watched her arse wiggle away sexily.

She sat down opposite another girl and when she noticed me watching her she winked again.

About half an hour later I felt the need to train the weasel, so headed for the loo. Just as I opened the door I felt a tap on the shoulder and turned to see the very same girl smiling broadly at me.

"Do they sell condoms in there?" she asked. "The girls' room doesn't have any."

"Um, I'll check," I said, slightly taken aback.

I went in and to my surprise the little minx followed me and started studying the johnny machine! "Banana flavour, strawberry flavour or beer flavour," she read. "Mmm, beer flavour sounds nice." She put her money in and took her condom. Luckily the toilets were empty. "I've never sucked a beer-flavoured cock before," she grinned. Just hearing her say 'cock' in that smooth voice made my balls boil. "Shall we?" she then added, almost as an afterthought.

"Umm, shall we? Umm..." I wasn't quite sure what she meant until she pushed me into the cubicle behind and locked the door behind her. 'OK,' I said, deducing that this might just turn out to be a good idea. My cock strained to be released from my trousers. Here was the most beautiful girl I'd seen in a long time and she was blatantly offering herself to me. And she hadn't even told me her name yet!

Inside the cubicle she dropped to her knees in front of me, kissed my dick through my trousers, then slowly started to unzip me. She let my trousers fall to the floor and then pulled my boxers down, finally releasing my straining member. She stroked it gently, said "Very nice!" and smiled at me. Then she showed me a trick. She opened a condom, placed it gently between her lips and slid it straight onto my cock. It was amazing and I'd never seen anything like it before. She licked my entire length softly, then moved up and down for ages. She really did look like she was enjoying that beer flavour and the feeling wasn't too bad for me either. I

“The little whore then began to lower her shapely arse onto my dick.”

have to admit that I would have preferred it if she'd deep-throated me without a condom on, but I was hardly about to complain at the treatment being doled out by this total stranger, was I? She worked on my dick like a true professional, bobbing up and down on it, taking the full length and teasing the tip with her expert tongue, then letting almost my entire cock out of her mouth, before gobbling me up hungrily once more.

She stood up to kiss me and I took the chance to get to grips with her arse. I caressed it through her skirt and it was every bit as firm as it looked. I slid my hand up the skirt and realised that she wasn't wearing any knickers, more proof of exactly how slutty she was – as if I needed any more! The flesh of her arse was warm and soft. I could have felt it all night long and actually would have done if she hadn't pulled away.

“Her juices gushed out of her pussy and poured down over my balls...”

“So, you like my arse, do you?” she asked. I nodded. “Okay, then,” she continued as she pushed me back onto the toilet and turned around to give me a better view. It really was gorgeous, round as a peach and just as good to eat by the look of it. She moved it sexily for me and even gave it a quick shake before bending over to expose her glistening cunt. She touched it, then smeared the juices up the crack of her arse. She then slid a tender finger into her tight arsehole, quickly followed by another. It was an absolutely incredible sight.

The little whore then began to lower her shapely arse onto my dick. My bell end touched her puckered hole and she let out a soft moan. We were both well-lubricated, her from touching herself and me from her BJ, so I slid in with relative ease, even though her arsehole was still nice and tight. Her arse gripped my dick like a pussy never had and as she slowly started to pump it felt as good as ever it did in my fantasies. I completely forgot where we were and let out a groan. Her pumping was slow and controlled and she moved her arse around in little circles, as well as up and down, giving me a real visual treat. She pulled her bum back up until my cock was virtually out, then slid it back down my pole again until I was entirely inside her each time. Her moans got louder and she'd obviously forgotten that there could be people outside. Or maybe she just didn't care. To be honest I'd stopped caring too and couldn't help moaning and groaning because of the fantastic feelings I was getting from fucking this gorgeous slut up the arse in a public toilet!

I felt my balls tighten and was sure I was about to come. To be honest I was surprised I'd lasted so long. I breathed 'I'm about to come' and she increased the speed and firmness of her arse fucking. Anybody standing outside must have heard her arse smacking down hard on my groin.

“I'm coming too,” she cried. “Oh fuck, oh fuck, oh fuck, I'm coming!” And with one final bang down on my cock we both came together in a fantastic double orgasm. Her juices gushed out of her pussy and poured

down over my balls as I pumped hot, thick come up her arsehole. It's hard to describe just how amazing the whole experience made me feel. My head was spinning, my breath was coming in short pants and my balls felt like they'd been completely drained. No sex I had ever had felt like this. And from the satisfied moaning coming from the girl whose name I still didn't know, it looked like she felt the same.

When she'd taken a minute to compose herself she pulled herself off me, quickly rearranged her skirt and left without saying another word. I took a little time to regain my senses myself, then got myself together before going back into the bar. It came as no surprise to me that she had already left with her mate – and it turned out my pal had gone too, presumably thinking I'd already headed off myself since I'd been gone so long.

Of course I haven't seen the girl at all in the two weeks since this amazing event happened. But from now on I intend being in my local every spare minute I get, just in case that gorgeous slut ever comes in again! To be honest I'm starting to think that I probably won't, but as an excuse to go to the pub it's a damn good one!

NIKI 

This is one exotic lady frolicking amidst the palm trees in the hot white sun, teasing us with a ping of her bikini. So what makes Niki Lee Young hot under the bonnet?

"I love fetish! Mainly every kind but I really enjoy bondage, particularly if it's with another woman. In fact, anything with another woman is a complete turn on for me."

With our mouths hanging open at the thought of Niki lapping at the furry cup, we found ourselves unable to close our gaping fish jaws. It's the simple things in life for us.

ANYA 

In the depths of winter, one can't really help but feel a tinge of envy towards Anya Olsen, as she frolicks in the California sunshine, completely unaware of the perils of a British January. The 21-year-old when not out basking in the sun is often busy filming and has a string of titles to her name, one that caught our eye recently was 'Soft Touch 3', an indulgent lesbian experience, that sits as a fine and sensual example of girl-on-girl. Keep up the good work Anya; we're quite the fans already! ♣

DOWN THE WIRE

Jackpot!

If you were subject to a banking glitch that gave you access to \$1.5 million dollars what would you do? While you think about, let us give you the example of Australian Law student Luke Moore, who after discovering the bank had accidentally given him a \$1.5 million (\$2.1 million Aussie dollars) overdraft, went to town playboy style. Living life to the max, Moore blow through the entire lot spending it on sports cars, holidays, boats and ahem, strippers, without the slightest chance of ever paying it back. Of course, the St. George bank brought the law down on him, and Moore

received four years for fraud. But after only five months Moore's out and living back at home with his mother, after the Supreme Court overturned his sentence for fraud, as the St. George bank was never misrepresented in Moore's account being overdrawn.

Tunnel Vision!

At times we've all wished we could stick our head in the sand, but taking that analogy literally ended up in a whole heap of trouble for one man. 22-year-old Gregory Marrow, 35-year-old Jerry Boatman and a dog, were pulled by police in a routine traffic stop at 7:30 am, but instead of complying both suspects started an unnecessary car chase in there Chevrolet Tahoe. The chase was cut short for safety reasons, and so

the police deployed Ariel search, where boatman was spotted on foot and arrested. Marrow was, however, slightly more tricky. After locating the dog, investigators were lead to a badger hole, where they heard screams from inside. Marrow in a desperate bid to escape had climbed into an 8-foot badger whole and gotten stuck. The Authorities spent a number of hours digging him out before they were able to arrest him.

naked man laying in the Pastor's bed, sleeping like a baby. After the religious posse had managed to rouse the suspected bugler from his deep sleep, he was carted off to the local police station, where he confessed to having attempted to rob the house twice, before falling asleep after smoking pot. Who new marijuana could fight as well as induced crime?

The Lord moves in mysterious ways, as one Pastor in Ghana found out. After returning early from Sunday service Pastor Asare Nyarko and his family found the door to their property forced open and all the lights turned off. The bulb in the hallway had been removed, and the meter closed. The police advised the Pastor to take pictures of the scene but failed to escort the gentleman and his wife home.

Returning to church, the Pastor gathered several Elders and returned home, where they discovered a 27-year-old half

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

BREKKIE BANG!

I had to attend a breakfast seminar at a nearby hotel last month, and although the subject wasn't really that relevant to me, I felt it was important I showed my face. I arrived at about 8.30 – it was already a sunny morning and the hotel was very nice, with lots of grounds and well-maintained gardens. I caught up with a few people I knew, had a very good breakfast and then the various talks started.

As I expected, about 20 minutes in my attention started to wander. The seminar was being held in an 'Orangery' which was basically a large conservatory. On my left I had a good view of the gardens, which was nice – but much more enjoyable was the view to my right.

I carefully shifted my chair a little so I could get a better view, because on the right was the hotel gym. It was in a similar building but the windows were frosted over to about waist height. From there upwards I had a view of six women all on the treadmills which faced out of the gym overlooking the gardens and the room I was sitting in. As I could only see from the waist up I had a great view of six pairs of tits bouncing up and down – and of course the tits' owners' faces.

I was trying to be discreet but I don't think I did a very good job especially as there were various shaped and sized tits bouncing away but I was, at least, enjoying the seminar now although I had no idea what they were talking about.

I was thinking about leaving when I saw one of the prettiest girls I have seen in a long time step onto a treadmill as another lady moved away. She had blonde hair in a pony tail, little if any make-up on, piercing blue eyes, a small mouth but with very red lips and the most tempting pert tits. She was wearing a tight white T-shirt and looked very petite. She built to a steady run and I sat transfixed, watching her lovely tits bounce slightly. She occupied my thoughts until the seminar ended, but when I looked back after the applause she was gone. I was, of course, disappointed but she had certainly made my day. I slipped out and found a gents before the drive back to my office.

As I came out of the gents I walked back along a corridor and literally collided with the treadmill honey. I caught her as she fell back and for a second or two I held her arms just staring at her.

"You are doing it again!" she said with a slight accent that I couldn't place.

"Sorry what's that?" I replied, having no idea what she was talking about.

"You're staring at me."

The penny dropped. "Oh, you mean you knew I was watching you in the gym?"

"Yes!" she replied. I thought I was going to get accused of stalking now but before I could say anything she went on; "I liked it, you had a look of desire about you."

My mind started racing. 'What does she mean by that?' I thought to myself.

Again she spoke. "My name is Anna. Want to join me for breakfast?"

"Yes!" I eagerly replied, not of course letting on that I had eaten, but I was relieved when she said its only juice and fruit and then staggered when she said, "It's in my room. Come on." She turned and I followed. She was indeed petite, no more than 5ft 3in and she had a very cute tight bum with very shapely legs.

My cock was already semi-hard as she led me up a staircase to her room.

"Come in," she said, her accent making me stiffen more.

"Are you Swedish?" I asked, having had a bit of time to think about her accent.

"Yes from Stockholm."

It turned out she was in the UK for business that had finished the day before and she had a free day before she had to return home.

She showed me the breakfast that had already been delivered by room service. "Help yourself," she said. "I am just going to have a quick shower." With that she lifted her top, taking it off and throwing it on the bed. I was shocked but very happy; she was

“It only took a few circular licks and she was orgasming, her chest reddening as she shuddered...”

probably a B cup and her tits were gorgeous, full and rounded and very pert with lovely little nipples that were pointing at me. “You are staring again!” she laughed as she went off to the shower.

My cock was very hard now and I couldn’t resist a quick look through the bathroom door. She was already in the shower and although behind a shower screen I could see the outline of her body. She was stunning, firm and fit with pale skin and her hair was now tumbling down her back. I sat on the bed drinking some juice. The shower stopped and I heard her in the bathroom for a few minutes. She came out with just a towel round her waist, her lovely tits on full show.

“Not hungry?” she said. I had to admit I had already eaten, and she looked at me smiling. “So you have eaten but not had a work-out, I have worked out and not eaten. What shall we do next then?”

As she ended her question she let the towel slip to the floor.

The answer was pretty obvious. I took her

“

hand, pulled her to the bed and lay her down on her back. I leant over her and kissed her. Slowly I kissed down her neck, her pert tits, her very stiff little nipples, across her tight tummy and down her bare snatch until I reached her pussy. “Are you sure you’re not hungry?” she laughed.

I was. I licked and kissed her lips, making her gasp and moan. She opened her legs wider and I teased her by kissing up and down the inside of her thighs before returning my mouth to her lovely cunt. She tasted divine and I spent ages licking and kissing her snatch before probing between her lips, feeling her wetness on my face.

Her language was getting more explicit now and her breathing deeper. “Oh fuck make me come!” she shouted. I ran my tongue up her lips to her clit, which was hard and protruding. It only took a few circular licks

and she was orgasming, her chest reddening as she shuddered on the bed.

I had taken off my jacket when I got to the room but was still in trousers and a shirt. Anna gave herself no time to recover and instead sat up on the edge of the bed and reached for my belt and zip. She was soon pulling down my trousers. As my cock sprung at her she wrapped a hand round it.

“So hard...” she said. She was right – it was as big and as hard as I could recall. She moved back on the bed, turning around before getting in classic doggy position, bum up and head down. She looked so horny and I gave her tight arse a few slaps, making her giggle and yelp.

“Fuck me!” she said breathlessly. “It’s been ages since I have had a good cock.” I struggled to believe that but was not going to argue with her now. I positioned my throbbing dick at her pussy hole and slowly pushed in. She moaned and yelped as my cock pushed in. It was a very tight cunt which just increased the throbbing in my dick. She was soaking wet and it was easy to bang her, her tightness notwithstanding, and my balls were soon slapping against her as I made sure she felt each hard stroke.

I saw her move her hand to her pussy and she began furiously wanking her clit, which just made the whole situation even hornier. I do love a girl who wanks herself and I was having to fully focus on making sure I did not

lose control before she’d come again. It didn’t take long and I increased my banging to as fast and as hard as I could, watching her violently use her fingers till she let out a scream. I went to pull out but her hand grabbed behind me and her nails dug in my arse. “No, it’s OK – come in me!” she insisted. I couldn’t hold off any longer after that and I let the first shots go, making her purr as the hot spunk shot deep inside her, my ecstasy enhanced by her nails in my arse cheeks and her dirty mouth that was telling me “to fill my cunt so its full.”

When I pulled out I could see my spunk run out between her lips. She turned round and lay on the bed, her legs wide and her arms spread. I fell next to her, breathless.

“You haven’t eaten,” I said at last.

“Let me buy you lunch.”

“You can,” she replied, “but I also intend to eat now!” With that she leant over me, kissing down my chest making my dick twitch and come back to life. It was semi-hard when she took it in her mouth – and rock hard by the time she started to deep throat me.

It was an amazing blow-job. She

made lots of eye contact with those piercing blue eyes and broke contact a few times to put her fingers in her cunt showing me my spunk that was still dribbling out of her hole, licking it off her fingers and then resuming her blow-job. She spent ages, licking and nibbling every bit of my bell end, shaft and balls until I spunked in her mouth. She did not move and took all my jizz before licking my cock clean. When she finished she said, "I love that cock. Buy me lunch in a pub so we can drink beer and then stay the night." How could I refuse? After a bit of quick thinking I gave the office an excuse about an appointment at short notice resulting from the seminar so I would not be in today. Well it was partly true.

Anna was not only stunningly beautiful with a fit gorgeous body and sexy accent but she also turned out to be great company. We had lunch in a very nice pub not far from the hotel with several beers. We got back to the hotel about four-ish and I ordered some champagne as we used the rooms large sunken bath for a bath together.

We had planned to go out for the evening but by the time we had finished the champagne both of us were slightly drunk – but also very horny. We headed instead back to bed and only interrupted our fucking to order and eat some dinner.

We had more sex in the morning, Anna skipping her morning work-out before I drove her to the airport for her flight home. We have stayed in touch since, and I have an open offer to visit her, which I intend to do within the next few months after I have spent some time in a gym myself. I want to make sure I can keep up with my fit Swedish minx.

Harry, Durham.

AISHA

It's all about the bubbles where Aisha is concerned, and this lady is no stranger to the luxury of a spa day.

"I love getting pampered, going out with the girls and grabbing a massage after jacuzzi time. Once I had a really hot male masseuse who I could see was clearly finding the massage as arousing as I was. So I grabbed him by his semi-hard dick and popped it in my mouth, which soon had it rock hard. Now I know that being bent over a massage table is just as relaxing as being laid out on one."

I'm sure I saw a bottle of baby oil around here somewhere...

Club was recently thinking of running a fitness spin-off, showing smoking hot woman working out in tight lycra. We are still ruminating on the idea and so thought we might give it a test run here with Tommie Jo who is definitely kitted out and ready to work up a sweat in Calvin Klein's.

So TJ how do you keep this amazing body of yours in such

peak condition?

"Well, I have a personal trainer who really likes to put me through my paces a couple of times a week. I'm always absolutely exhausted after, but some of it is because I'm careful with what I eat too. There's not a lot of takeaways going on in my house."

Short of a curry here and there, TJ looks like our prefect Club girl!
